

CHOOSE TO BE A HERO
FIRST ANNUAL DAY OF CARING
SATURDAY SEPTEMBER 8

The program:

Lead by United Way coordinators, Pike County volunteers and local non-profit organizations work together for a single day to accomplish tasks that will help those in need for a long time to come. Any licensed non-profit group is welcome to ask for help. Anyone who is fourteen years of age or older is eligible to help.

A few examples:

- Paint walls or furniture in day care facilities
- Help clean and stock food pantries for hungry families
- Improve playground facilities for disabled kids
- Help set up group computer facilities for disabled of all ages
- Lend a hand to programs for the aging
- Clear trails, plant trees at Y-Camp site

How It Works: We'll meet at a central location for simple breakfast, put on identifying t-shirts, get our assignments, do our work, receive thanks for a job well done.
