Close Encounters with Birds of Prey

Presented by the Delaware
Valley Raptor Center

2:30pm - 3:30pm

Five live raptors, a hawk, a falcon, two owls, and
an eagle will introduce you to the fascinating
world of raptors.

A presentation offering both young and old
a joyful, magical experience that one is unlikely
to forget.

Learn about predator/prey relationships, wildlife
rehabilitation, specific adaptations
of the birds present, and various issues
facing wildlife today.
